MISCELLANEOUS LIST

REVIEW No.	DATE	DESCRIPTION	PAGE.	BY.
1	08/21/2021	First version was generated. EM-DD-75 code was created for ES-PSD5030T system miscellaneous library.	All.	Andrés Manotas
2	03/02/2022	A format actualization was made. References were updated based on 2022 Show Room feedback. Pull handle pair, bottom and stile gasket, striker for multi-point lock, cover for latch lock, hexagonal guide and cover for cylinders were updated.	All.	Ever Gómez
3	03/09/2022	#8 x 1" screw was added; LSB 8050-XXX keepers for swing doors were added; SAP code for swing door hinge was updated.	7, 10, 14.	Ever Gómez
4	08/13/2022	Lock cylinder covers SAP codes were added; V996 tape SAP code was added; latch lock hole cover SAP code was added; striker ES-PSD5030T-PLA01 SAP codes were added; 45/10 cylinders SAP codes were added.	3, 9, 10, 11,13.	Ever Gómez
5	05/05/2023	Gneral update: Drop seal reference updated; Pull handle reference updated; Hinge, hinge guide, top shootbolt, hook lock, multi-point lock, rod extension, bottom shootbolt references updated; Cylinder cover black and satin chrome SAP codes updated; #12x1" phil pan screw reference and SAP code updated.	5, 6-9,12, 13.	Esteban Silva
6	29/05/2023	Multi-point for doors with heights less than 96" was added.	Pag. 9	Danelis polo
7	14/08/2023	Pile P3802AFK 3" was added	Pag 5	Danelis Polo
8	8/29/2023	EMP-832 ES-PSD5030T-G01M S was added	Pag 1	Danelis Polo
9	09/01/2023	Sap code for Steel Hex Bar was changed.	Pag 7	Danelis Polo
10	11/21/2023	Document format updated, including the new logo.	All	Danelis Polo
11	12/14/2023	New pull handle size added.	Pag 7	Danelis Polo
