## Keep Things Rolling Along With Regular Garage Door Maintenance!

Without regular maintenance, your garage door can easily fall into disrepair, which can lead to unsafe operation and urgent fixes down the line.

Professional tune-ups can help catch issues early and combat daily wear and tear. You shouldn't risk emergencies with your garage door—invest in consistent care to keep things working smoothly!

At Your Service makes it easy to keep your system well-maintained. Our **White Glove Club** offers members regular tune-ups as well as numerous benefits that save you money and stress. With an affordable membership plan, you'll enjoy year-round peace of mind knowing your equipment is always running at its best!

### What's Covered in a Tune-Up Visit?

All of our tune-ups follow a thorough, 30-point checklist. When one of our trained technicians arrives, this is what you can expect!

#### Mechanical Inspection:

- ◆ Check springs, cables, rollers & hinges
- ◆ Inspect track alignment
- ◆ Adjust torsion spring tension if needed

#### Lubrication & Cleaning:

- ◆ Lubricate all moving parts
- ◆ Clean tracks & sensors

#### Balance & Safety Testing

- ◆ Manual balance test
- ◆ Auto-reverse and force sensitivity test

#### Opener System Check:

- ◆ Motor noise & function test
- ◆ Inspect remotes, switches & batteries

#### Safety Compliance:

- ◆ Check photo-eyes
- ◆ Confirm emergency release & safety labels

Our team will also test weather seals for cracks, gaps, and brittleness, as well as test remote controls, wall buttons, and keypads.

**You also have access to the following add-on services during a tune-up:**

- ◆ Weather seal replacement
- ◆ Smart opener upgrade
- ◆ Roller replacement package
- ◆ Spring replacement discounts  
(available only for White Glove Club members!)
- ◆ Inspection report for insurance or real estate
